

## HORSES GO TO OTHER COURSES

W. T. Robinson returned to Maui yesterday with promise of some horses for the July 4th races at Kahului, but not so many or so varied, as he had hoped. Billy Lemp will be one of the horses which will be taken down by Charles Bellina, and in the company will be a green mare, not raced here, and the tried Faro Bank, with Lishman's mare Madeline.

That there were not more is allegedly due to some of the fine work of race men. The race program was made up with a free for all, framed to attract Cyclone, and the purse was made such that Quinn would find it profitable to take up the great black. At once he made up after several urgent letters, a string, including Sambo and three others, and got ready to go. But some influence caused the club to call another meeting, bar Cyclone and Waldo J., and make the free for all for named horses. This might readily shut out Sambo. So of course Quinn would not go.

But the others did not go either. Ballentyne took his runners, Mollie and Bruner to Hilo yesterday, and Lucas sent Racine Murphy to the Rainy City as well. It is reported that other horses will go there next week. The Hilo horses raced here, Harrison and Dixie Land, likewise went back.

## YOUNG HOTEL WILL OPEN JULY 4TH

The new Young Hotel will probably be opened on July 4th. Manager Lake said yesterday that matters were shaping that way now, and he hoped to have the new hostelry open by Independence Day.

All the furniture, but one hundred cases, have arrived and is fast being installed in the rooms. The furniture is all of mahogany and of the finest description. The carpets are also of the richest weaves, and the rooms already furnished are as nice as any in the best Eastern hotels.

There will probably be some sort of ceremony attached to the formal opening of the hotel, the details of which will be announced by Manager Lake within a short time.

### Success of Sisal.

Hawaiian rope, made from Oahu sisal, is being shown in the window of the Pacific Hardware store. It is light of color, but of the very highest quality. Mr. Weedon says that in time it will mean a rope factory here. An excellent paper is also made from sisal waste, which waste the Tubbs Cordage Company is experimenting with and of which it has ordered a ton.

### BURGLARIES.

GRIFENHAGEN BROS. & CO., Wholesale Dealers in Bottles. New York, January 2nd, 1908.

Herring-Hall-Marvin Safe Co., New York. Gentlemen: We thank you very kindly for your prompt attention in sending one of your men to open our safe this morning. We also wish to congratulate you upon the quality of your burglar-proof safe, as the burglars who entered our place must have worked all night and could not open the doors, and left without accomplishing their purpose. When the detectives arrived this morning to inspect the work they claimed it was done by professional cracksmen and told us that if it had been a safe of any other make the burglars would have got in by the way they worked on our safe. We thought we would write you this good news as we consider ourselves fortunate. We remain, Yours respectfully,
